

# The prevalence and impact of comorbidities in women living with HIV as they age

Dr Sonia Raffe

Darzi Fellow in Clinical Leadership 2019-2020

SpR HIV and Sexual Health

# Progress

- Search strategy written:
  - P:** PLWH, > 18-years
  - I:** Co-morbidities (cardiovascular disease, renal disease, psychiatric illness, etc)
  - C:** Prevalence
  - O:** Prevalence, morbidity, mortality
- MEDLINE, EMBASE, Cochrane
- 7308 papers found
  - Aiming to review first 100/200 and refine search as needed
- Hand-search of big cohort studies done
  - UK CHIC, WIHS, COHERE, Swiss and Danish HIV cohort studies etc.....

# Progress

- Aiming to complete search and identify relevant papers by Christmas
- First draft by February!?
